WOOME Bluetooth Speaker

3D high power sound to enjoy the feast of hearing!

Article number 55382

**InLine® WOOME Bluetooth Speaker - User Manual**

Thank you for purchasing InLine® WOOME Bluetooth speaker with handsfree. For the best performance of InLine® WOOME please read this manual carefully and completely before using the product. The speaker features fashionable design, small sizes, but offers high acoustic quality and many more features, including an activatable 3D playback. In addition, it is equipped with latest subwoofer system, and it is compatible with many Bluetooth devices, such as tablet computer, cell phone or music player.
In order to enjoy the excellent sound effect inside and outdoors we have provided the InLine® WOOME with a powerful battery.

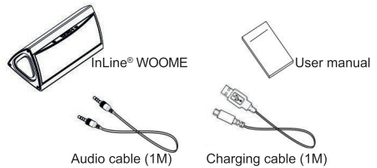
**Precautions**

- Please use or keep this device at the places with normal temperature
- Please protect this device from rain water or humid environment
- Please do not drop or throw this device which might cause damage to it
- Please do not disassemble, repair or refit it on your own
- This device has a lithium battery built in, please do not throw the battery into garbage or put it into fire, which might result in danger of explosion!

**Tips**

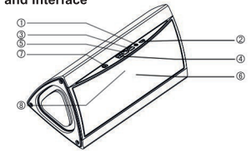
1. When listening to music, please adjust the volume properly to avoid high-pitched sound impairing your hearing and to maintain the service life of InLine® WOOME.
2. In case of any fault, please immediately turn off the InLine® WOOME and pull out USB cable to avoid any damage to speaker and other components
3. Please charge the InLine® WOOME in time to avoid low battery, which might impair Bluetooth connection (appr. every 3 months).

**Packing materials**



Fabric bag for transport

**Button and Interface**



① 3.5 Audio input interface
② Micro USB Charge Jack
③ Increase volume, next song
④ Decrease volume, previous song
⑤ Phone, play, pause
⑥ Microphone
⑦ Power key
⑧ Status light

**I. Settings**

1. When turning on InLine® WOOME for the first time, you will hear a beep sound, meanwhile, blue light blinks quickly. Search X07 with your tablet computer, smart phone or music player and enter PIN number “0000“ for Bluetooth connection if you should be prompted to. Once connected, blue light blinks slowly.

2. You may play music via Bluetooth and press ⏯ to pause.
3. Long press ⏮ \ — to decrease the volume; long press + \ ⏭ to increase the volume. You will hear beep sound when the volume reaches maximum.
4. Press ⏮ \ — to play previous track; press + \ ⏭ to play next track. When playing the music, press ⏯ to pause.

**II. Handsfree**

Once InLine® WOOME is connected with smart phone via Bluetooth, you will hear beep sound when there is an incoming call. Press ⏯ to answer the call or long press ⏯ to reject the call. Press ⏯ twice quickly to recall the last number you have dialed.

**III. Audio Input**

Play music via AUX: When playing music via AUX, you may use your tablet computer, smart phone or music player to play / pause / play next track / play previous track / volume up / volume down.
Note: In such status, all keys on InLine® WOOME are irresponsive, and you have to use Bluetooth device to play or pause music.

**IV. Charging**

1. When InLine® WOOME is being charged, the red light turns on. Once it is fully charged, the red light turns out.
2. In case of low battery, the green light blinks slowly, please charge up InLine® WOOME immediately.

**Fast Charging**

Please charge InLine® WOOME in standby or off status. Connect InLine® WOOME to computer or charger via USB cable to start charging. Once InLine® WOOME is fully charged, the red light turns out.

**Setting 3D Stereo Sound**

When playing music, press ⏮ \ — key and + \ ⏭ key simultaneously. The music will be quiet for 1 second accompanied by green light, then it will turn into the state of 3D stereo sound. (When the green light blinks, it means low battery).
